I think the proper rules to be applied are the following:

Where the grants belong to temples, Chatrams, and other similar institutions, they should not lapse to Government, but should be kept apart and applied to other similar objects by the Alienation Department.

Where the lapses occur in grants to individuals, they should benefit the general revenues of the State.

The amounts mentioned in lists A & C should be available for grants to deserving objects.

In the lapses of personal grants, an amount of Rs 1324-14 is shown. This should lapse to Govt. But I would recommend that as a set off, this grant of £120 a year may be sanctioned to a young man of Indian may be paid out of State funds instead of

Sir,

I have the honour to forward herewith copy of Circular No. 345 Huz. 1/7 dated 3rd December 1910 from the Commissioner soliciting an intimation that the Registers of Feeder Zone Grants prepared in 1909 under the sanction conveyed in Government Proceedings No. 1/1-61/Huz. F. 4-, dated 31st January 1910 may be revised and to state that, when I was about to take action, it was brought to my notice that the necessary information had been received from the Taluks in response to Circular No. 302- 49 dated 2/7 July 1908 and had to be disposed of. The information received from the Taluks is enclosed in the enclosed statements from which it will be seen that a sum of Rs. 2,+-,-0 -

Statement (A) Devadurga Grants Rs. 79-+-0 } read out of the total
" (B) Personal " " 1,4-1+-0 } Rs. 2,94-2-0 } Cash grant provided for in the budget is

not now being utilized. From the information furnished by Deputy Commissioners in connection with Circular No. 3/- 1910 it is found that a further sum of Rs. 56-1,- as per statement C is also not being utilized.

2. Of this entire amount Viz. Rs. 501-160 - portion may perhaps have been temporarily required on account of the circumstances of the institution of some scholarships. The balance Rs. 341-, the Zilla grants Rs. per month, saved.

ether the amount thus saved is to lapse to Government or to be made over to other deserving institutions or persons is a point which has to be considered.

The Comptroller is apparently in favour of their lapsing to Government.

4. I beg to leave to urge for the earnest consideration of Government that this course is not desirable. The amount thus saved is, after all, very small. The distribution among deserving institutions will be appreciated much. Government are well aware that frequent applications for new grants are daily received. If like grants were sanctioned once I do not see why they should not be continued to persons now found deserving.

5. In these circumstances, I request permission to suggest proposals for the distribution of the amount as shewn above. Saved

6. I have to add that this arrangement involves no additional grant to the Nizam's Budget. It is only a transfer of the budget allotment from one institution to another that is proposed.

7. The principle known as Cy-pres in Civil Law under which when a trust fails another is to be substituted therefor is, I know, not strictly applicable to grants made by Government, but where can be no doubt in the analogy being followed.

8. While about this matter I may be permitted to add that in the case of land Inams also transfers in similar cases should be permitted by Government.

9. As regards the Register of Ready Money Inams itself it was framed in 1869 and since then the grants of many institutions have lapsed to Government and have been omitted from the Budget. It is thus necessary that a revised Register should be prepared and I request that permission may be granted to prepare it as done in 1869.

I have the honor to be,
Sir,
Your most obedient servant,

of docket No. 5456/Muz. 197 dated 3rd December 1910 from the Controller to the Government of Mysore to the Muzrai Superintendent in Mysore.

"Has the honor to state that there have been several additions and alterations since the publication of the last consolidated - ready Money Inam Registers, which was revised and corrected up to 30th April 1899. There might also be several resumptions. - Requests to state, therefore, that it would be very convenient, if a revised Register, corrected up to date, is issued."

Copy,

Muzrai Superintendent.
